GETTING GARBAGE SERVICE

FIRST, if you live in a subdivision or planned neighborhood, find out if there is a Homeowners Association for your community. Often, the HOA contracts trash service for the neighborhood.

SECOND, if you don't have a Homeowners Association, contact your city. Cities usually manage garbage service for incorporated areas.

THIRD, if you live in an unincorporated region and not in a city, you are free to contract waste removal with any hauler that you prefer. Check the list at left for hauler information.

Report a Garbage Dump :

If you see a garbage pile on someone's property, you can call the Kentucky Division of Waste Management's Illegal Dump **Hotline at 1-888-NO DUMPS** or your Solid Waste Coordinator.

You can also anonymously visit www.boonecountyky.org/bcswm to report. If you actually see someone in the act of dumping, **CALL 911**. Dumping is a Class D felony, so please speak up!

RECYCLING

To sign up for **curbside recycling**, call your waste hauler. You can always collect household recyclables and bring them to any of the drop-box bins below.

Please be sure to place only acceptable recyclables in the bins because dumping unauthorized material in or around a bin causes contamination and it is considered illegal.

HOUSEHOLD HAZARDOUS WASTE

Household hazardous waste (**HHW**) is the group of chemicals and other substances that are commonly found in many homes but require special attention when being discarded.

Please keep in mind that the best way to get rid of these materials is to use them up and use them for their intended purposes.

Antifreeze

Antifreeze can be taken to **Kenton County Public Works in Independence (392-1920)** which is open to any Northern Kentucky resident with a 5 gallon limit.

Batteries 1-877-2-Recycle

Auto batteries are accepted by most stores that sell them and Boone County Public Works Department will accept them as well.

Rechargeable batteries can be dropped-off at the following sites:

1. Boone County Public Works
2. Campbell County Fiscal Court
3. Kenton County Public Works
4. Covington City Building
5. City of Florence Public Services
6. Independence City Building
7. Walton City Building
8. Union City Building

Fire Extinguishers :

For Safe disposal, spray any remaining material out of the extinguisher and into a garbage bag. Once the container is empty, mark up with your household trash.

Gasoline

Boone County Public Works Department accepts gasoline. Call for details 859-334-3629.

Household Cleaners

Most of these products are water-soluble and can be poured down the drain mixed with water. Never mix household cleaners when disposing. Special caution should be taken with septic systems or package treatment plants.

Paint

First, try to reuse any liquid paint by finding a neighbor, church, or local school who can use it. If you must dispose of it, You can set the paint at the curb with your regular trash; **BUT you must first solidify it.**

***Remove the lid from the can, mix kitty litter into the paint to an oatmeal consistency and let it dry. Be sure to do this in a well-ventilated area or outdoors.**

The paint doesn't have to be perfectly solid, but it cannot be runny.

The Covington Reuse Center will re-blend some liquid paint so that it can be reused. Call for details before delivering paint—859-291-0777.

LITTER ABATEMENT & SPECIAL EVENTS

Litter is an unhealthy, harmful and intolerable blight. It affects our quality of life, and it creates a negative impression of our community. It also pollutes our land and water and is detrimental to wildlife. Litter is also expensive to remove—Kentucky spends millions of dollars every year cleaning up roadways. ***Littering is also illegal !!***

Throughout the year, Northern Kentucky hosts litter clean ups and abatement programs to combat litter. If you would like to learn more about how to get involved and stop litter in your community, call your local Solid Waste Coordinator or the NKSWMMA Coordinator. We would love to plan a community litter cleanup for your neighborhood or business. Join us for our Spring & Fall cleanups as well as Commonwealth Cleanup Week, River Sweep and the Great American Cleanup. ***Northern Kentucky is OUR home—help us keep it clean!***

EDUCATION

Your Solid Waste Coordinators have a wealth of information to share with you. They are available to give presentations to schools, civic groups, churches, camps ... anyone. We can discuss any subject related to solid waste management, such as recycling, waste reduction, household hazardous waste, litter and more. If you are interested in these programs, wish to schedule a presentation or need more information, just give us a call or an email.

The NKSWMMA and this Resource Guide do not seek to endorse or promote any company. The listings are provided as a service to inform the public of proper disposal and recycling options. Anyone with suggestions, additions or corrections of options offered to the public is invited to call NKSWMMA at 334-3629.
