IMPORTANT PHONE NUMBERS

NKSWMA COORDINATOR

MARY F. DICKEY

Phone 334-3151

Fax 334-3598

E-Mail mdickey@boonecountyky.org

Internet www.boonecountyky.org/NKSWMA

As the NKSWMA Coordinator, Mary is in charge of making sure you get the information you need. Not sure who to call? Can't decide what disposal method would be best? Call or email our office and we will connect you with people that can help. We have information on Boone, Kenton & Campbell solid waste programs as well as the Northern Kentucky Solid Waste Management Plan and Annual Report.

County Solid Waste Management

Each county has a Solid Waste Coordinator who deals with issues that include recycling programs, composting, landfill and disposal issues, household hazardous waste, education and community affairs, presentations, illegal dumping, litter abatement, enforcement, and resource material. Please call your local Solid Waste Coordinator for information on programs, special events, policies, etc., within your county jurisdiction.

UK Cooperative Extension Services

Boone County: 586-6101
Campbell County: 572-2600
Kenton County: 356-3155

Report a Garbage Dump

If you see a garbage pile on someone's property, you can call the Kentucky Division of Waste Management's Illegal Dump Hotline at 1-888-NO DUMPS or your Solid Waste Coordinator. You can also anonymously visit www.boonecountyky.org/bcswm to report. If you actually see someone in the act of dumping, **CALL 911**. Dumping is a Class D felony, so please speak up!

WASTE HAULERS

These are the companies that offer garbage service.

Bavarian Waste Hauling and Disposal

Fairfield, Ohio 45014
513-860-0180
888-345-4516
www.treehouse-enviro.com

For information about construction/demolition debris container service, please consult the phone directory.

GETTING GARBAGE SERVICE

FIRST, if you live in a subdivision or planned neighborhood, find out if there is a Homeowners Association for your community. Often, the HOA contracts trash service for the neighborhood.

SECOND, if you don't have a Homeowners Association, contact your city. Cities usually manage garbage service for incorporated areas.

THIRD, if you live in an unincorporated region and not in a city, you are free to contract waste removal with any hauler that you prefer. Check the list at left for hauler information.

RECYCLING

To sign up for curbside recycling, call your waste hauler (see Waste Haulers above). You can always collect household recyclables and bring them to any of the drop-box bins below. Please be sure to place only acceptable recyclables in the bins because dumping unauthorized material in or around a bin causes contamination and entire bins must then be taken to the landfill.

BOONE COUNTY

334-3151 for information

- Northern KY Airport Sound Insulation House
3644 Limaburg Road, Hebron
- Florence Public Services Center
7850 Tanners Lane, Florence
- Petersburg Community Center

Cincinnati 513-641-4149.
www.usalamp.com
Accepting: Computers and components, dry cell batteries, cell phones, Call for prices

Fluorescent and Compact Fluorescent Light Bulbs

Several local businesses recycle fluorescent bulbs. Compact fluorescent light bulbs (CFLs) can be taken to **Home Depot** in

Crescent Springs (331-4500) and Florence (283-1460) and to **Small's Hardware** in Ft. Mitchell (331-6776). Accepts from residents only (no businesses).

Televisions

These businesses recycle TVs:

- **Apex Technology Solutions**
(See above)
Charge: \$10-35.
- **Best Buy**
Charge \$10 each for up to two TVs but participants will receive a \$10 gift card towards future purchases
- **2trg**
(See above)
Charge: \$30
- **USA Lamp & Ballast**
(See above)
Charge: \$0.50/pound

PLASTIC BAG RECYCLING

All Kroger and Wal-Mart locations in Northern Kentucky have receptacles for customers to drop off plastic grocery bags to be recycled. Please keep in mind that it is much more environmentally sound to bring reusable bags instead.

MONEY FOR RECYCLABLES

The following companies offer funds for recyclables:

The **Covington Re-Use Center** (315 15th St., Covington, 291-0777) and the **Florence Re-Use Center** (7430 Industrial Rd. 803-3283) offers salvaged and new home components from windows to doors, sinks, bathtubs, desks, paint, chandeliers, and more.

HOUSEHOLD HAZARDOUS WASTE

Household hazardous waste (HHW) is the group of chemicals and other substances that are commonly found in many homes but require special attention when being discarded. Please keep in mind that the best way to get rid of these materials is to use them up and use them for their intended purposes.

Antifreeze

Antifreeze can be taken to **Kenton County Public Works** in Independence (392-1920) or to **Boone County Public Works** in Burlington (334-3151), which is open to any Northern Kentucky resident with a 5 gallon limit.

Saf-T Auto

Florence 525-8090 (any color)

Kentucky Tires

Covington 291-8999

Master Tech Auto

Ft. Thomas 781-8863 (any color)

Steele's Auto Service

Burlington 534-5900

Steve's Auto Repair

Covington 356-3000

Batteries

Auto batteries are accepted by most stores that sell them as well as by **Bluegrass Recycling** (see Money For Recyclables on p. 5).

Rechargeable batteries can be **dropped-off at the following sites:**

1. Boone County Public Works
2. Campbell County Fiscal Court
3. Kenton County Public Works
4. Covington City Building
5. City of Florence Public Services
6. Independence City Building
7. Walton City Building
8. Union City Building

ENVIRONMENTAL DISPOSAL COMPANIES

Safe and legal disposal of any hazardous materials for a small fee:

Environmental Enterprises, Inc. Cincinnati
4650 Spring Grove Ave. 513-541-1823

USA Lamp & Ballast 513-641-4149

Free drop-off of light bulbs, thermostats, or batteries from households; Computers for a fee

If you have any questions about disposal please feel free to call your local Solid Waste Coordinator, the NKSWMCA Coordinator or the **Northern Kentucky Household Hazardous Waste Action Coalition** at 334-3151. Check out the Coalition's website at www.nkyhhw.org. All three NKY counties are members of the Coalition.

Fire Extinguishers

For safe disposal, spray any remaining material out of the extinguisher and into a garbage bag. Once the container is empty, mark it as such. After that, it will be acceptable for pick up with your household trash.

Gasoline

Environmental Enterprises (see sidebar) will take old gas and gas-oil mixes but you also have the option of soaking it up with rags. Once you have sopped up all of the liquid and put the rags into a plastic bag, you can throw it away with the rest of your trash.

Household Cleaners

Most of these products are water-soluble and can be poured down the drain mixed with water. Never mix household cleaners when disposing. Special caution should be taken with septic systems or package treatment plants.

Paint

First, try to reuse any liquid paint by finding a neighbor, church, or local school who can use it. If you must dispose of it, You can also set the paint at the curb with your regular trash but you must first solidify it. Remove the lid from the can, mix kitty litter into the paint to an oatmeal consistency and let it dry. Be sure to do this in a well-ventilated area or outdoors. The paint doesn't have to be perfectly solid, but it cannot be runny. The **Covington Reuse Center** will reblend **ONLY WHITE** liquid paint so that it can be reused. They can be reached at 291-0777.

Pesticides

The KY Department of Agriculture, Office of Consumer and Environmental Protection, runs a **FREE** pesticide collection and disposal program: the hotline for this **FREE** program is 1-800-205-6543, 8:00 -4:30 M-F

Prescription Drugs

You can bring your unwanted prescriptions drugs to the drop boxes at the following locations for proper disposal: The Campbell County Police Department, Florence Police Department, Boone County Sheriff's Department, Highland Heights Police Department, Kenton County Police Department in Independence, Erlanger Police Department, and Villa Hills Police Department. Call our office if you have questions. 859-334-3151

HOUSEHOLD HAZARDOUS WASTE

Propane Tanks

Tanks can be turned into cylinder exchange companies like **Blue Rhino** at local stores. Empty tanks can also be put out for the garbage as long as the valve stem is completely removed from the tank or the valve is fully opened and "EMPTY" is written on the side. Call your garbage service for details.

Solvents

Solvents, such as paint thinner, do not go bad. Allow the particulates to settle out, drain off the clear liquid. Mix the remainder with kitty litter and dispose in trash.

Vehicles

Call the following businesses to set up free removal and recycling of junk vehicles: **Boone County Auto & Truck Salvage**, 384-1164; **Union Auto Parts**, 384-3381; **Walton Recycling**, 363-8300; **Webster's General Contracting**, 393-4890.

USED MOTOR OIL

Used motor oil from home oil changes must be taken to a facility that can dispose of it properly. Both **Boone** (334-3600) and **Kenton Counties'** (392-1920) Public Works Departments accept up to five gallons of used motor oil from private residents. Most instant oil change businesses accept used oil as well but be sure to call ahead before bringing your oil as there may be restrictions.

The Northern Kentucky Solid Waste
Management Area
5645 Idlewild Road
Burlington, KY 41005

STAMP
ME

The Northern Kentucky Solid Waste Management Area
consists of Boone, Kenton, and Campbell Counties.

LITTER ABATEMENT & SPECIAL EVENTS

Litter is an unhealthy, harmful and intolerable blight. It affects our quality of life, and it creates a negative impression of our community. It also pollutes our land and water and is detrimental to wildlife. Litter is also expensive to remove—Kentucky spends millions of dollars every year cleaning up roadways. **Littering is also illegal!**

Throughout the year, Northern Kentucky hosts litter clean ups and abatement programs to combat litter. If you would like to learn more about how to get involved and stop litter in your community, call your local Solid Waste Coordinator or the NKSWMMA Coordinator. We would love to plan a community litter cleanup for your neighborhood or business. Join us for our spring & fall cleanups as well as Commonwealth Cleanup Week, River Sweep and the Great American Cleanup. Northern Kentucky is OUR home—help us keep it clean!

EDUCATION

Your Solid Waste Coordinators and NKSWMMA Coordinator have a wealth of information to share with you. They are available to give presentations to schools, civic groups, churches, camps ... anyone. We can discuss any subject related to solid waste management, such as recycling, waste reduction, household hazardous waste, litter and more. If you are interested in these programs, wish to schedule a presentation or need more information, just give us a call or an email.

The NKSWMMA and this Resource Guide do not seek to endorse or promote any company. The listings are provided as a service to inform the public of proper disposal and recycling options. Anyone with suggestions, additions or corrections of options **offered to the public** is invited to call NKSWMMA at 334-3151.
